## 2017/2018 School Agreement

**To acknowledge your school's agreement to abide by the following statements and to ensure your school is eligible to receive scholarship funding from the Arizona Leadership Foundation, please fully complete the bottom portion.**

A qualified private school means a preschool that offers services to students with disabilities, nongovernmental primary or secondary school that is located in Arizona and that does not discriminate based on race, color, disability, familial status or national origin. All teaching staff and personnel that have unsupervised contact with students are required to be fingerprinted. Qualified school does not include a charter school or any program operated by a charter school.

The scholarship can cover tuition only (must be published tuition rate). It is not to be used for any other expenses or fees (such as application fees, tutoring etc.). Furthermore, the scholarship can only cover the tuition balance for each individual student for the current school year.

The amount of scholarships paid from all STOs for one student cannot exceed the amount of tuition for that academic year. Any unused scholarship funds for a student must be returned, by the private school, to the Arizona Leadership Foundation for reallocation. Refunds / funding overages due to the Arizona Leadership Foundation should be repaid within 45 days.

The Corporate Tax Credit program scholarship limitations for academic year 2017/2018 are \$5,300 for grades K through 8 (and preschool disabled) and \$6,600 for grades 9 through 12.

The Disabled/Displaced Tax Credit program scholarship limitations vary by student. The sum of a student's D/D scholarships is limited to 90% of state aid or cost of tuition, whichever is less. The D/D eligibility amount is the total maximum D/D scholarship amount that your students can receive from all STOs combined.

A student that receives ESA (Empowerment Scholarship Account) money from the Arizona Department of Education cannot receive any funds from an STO for the same time period. A student may utilize an STO scholarship up to the start of ESA funding; or if the ESA contract has been canceled STO scholarships can be utilized after contract cancellation, presuming there is a tuition need. Once ESA funding begins, any outstanding STO scholarship money must be refunded by the private school to the STO.

The Arizona Leadership Foundation has absolute and sole discretion in awarding financial aid.
