2026/2027 School Agreement

To acknowledge your school's agreement to abide by the following statements and to ensure your school is eligible to receive scholarship funding from the Arizona Leadership Foundation, please review and then fully complete the bottom portion.

A qualified private school means a preschool that offers services to students with disabilities, nongovernmental primary or secondary school that is located in Arizona and that does not discriminate based on race, color, disability, familial status or national origin. All teaching staff and personnel that have unsupervised contact with students are required to be fingerprinted.

A qualified school does not include a charter school or any program (third party correspondence programs etc.) operated by a charter school.

The Arizona Leadership Foundation has absolute and sole discretion in awarding financial aid. The scholarship can cover tuition only (must be published tuition rate). It is not to be used for any other expenses or fees (such as extracurricular fees, tutoring etc.). Furthermore, the scholarship can only cover the tuition balance for each individual student for the current school year.

The amount of scholarships paid from all STOs for one student cannot exceed the amount of tuition for that academic year. Any unused scholarship funds for a student must be returned, by the private school, to the Arizona Leadership Foundation for reallocation. **Refunds / funding overages due to the Arizona Leadership Foundation should be repaid within 45 days.**

The Corporate Tax Credit Low Income program scholarship limitations for academic year 2026/27 are \$6,700 for grades K through 8 (and preschool disabled) and \$8,500 for grades 9 through 12.

The Disabled/Displaced Tax Credit program scholarship limitations vary by student. The sum of a student's D/D scholarships is limited to 90% of state aid or cost of tuition, whichever is less. The D/D eligibility amount is the total maximum D/D scholarship amount that your students can receive from all STOs combined.

Students must be enrolled in private school full-time to receive an STO scholarship. The school must conduct regular classroom instruction, the A.R.S. § 15-802(G)(3) requires a private school to provide academic instruction "for at least the same number of days and hours each year as a public school." A.R.S. § 15-901 requires kindergarten through twelfth grade to meet for 180 days or the instructional hours prescribed in the section.

A student that receives ESA (Empowerment Scholarship Account) money from the Arizona Department of Education cannot receive any funds from a STO for the same time period. Once ESA funding begins, any outstanding STO scholarship money must be refunded by the private school to the STO. If the ESA contract has been canceled during the school year, STO scholarships can be utilized the quarter following the contract cancellation, presuming there is a tuition need and the parent can provide ESA contract cancellation documentation. *Your school is responsible for following the STO / ESA guidelines that are in place for the said time period, as guidelines can change during the school year.

School Name _____

School Address _____

City _____ Zip _____

Taxpayer ID Number # _____ Entity Type (501C3, LLC, etc.) _____

2026/27 Tuition (Tuition / grade if applicable) _____
